

Dear Springdale Borough Resident,

We are pleased to inform you that County Hauling, a Noble Environmental company, has been awarded the contract for residential trash collection in Springdale Borough beginning January 1<sup>st</sup>, 2025. We look forward to providing Springdale with a safe and efficient collection program! Our goal is always to attempt to keep collection days the same, but unfortunately that is not always possible. You will be receiving services for trash on Tuesdays for the duration of the new contract. Please keep in mind that our first day of service will be on **Tuesday January 7<sup>th</sup>**.

The following guidelines apply to all residential trash collections in the Borough:

- Trash must be out the night before your collection day, or prior to 6 AM on the day of collection. Containers should be watertight, metal or plastic, with tight fitting covers and handles. Each container should not exceed 96 gallons; each plastic bag should not exceed 40 pounds.
- All trash containers, as well as bulk items, must be within five feet of the curb (or five feet from the edge of a traveled road) and placed so as not to interfere with the collection of other items, block the right of way or obstruct traffic. Items not visible or otherwise obstructed from view will not be collected.
- All trash **MUST BE BAGGED** before being placed in the trash can. Loose trash is a potential health hazard for our employees and is more difficult to collect and is a major factor in municipal litter. **DO NOT USE GROCERY BAGS, PAPER BAGS, CARDBOARD BOXES OR 55-GALLON DRUMS AS GARBAGE RECEPTACLES.**
- Bulk items will be collected for a fee of \$10.00 each, please contact customer service for payment and scheduling. Bulky Waste includes furniture, appliances such as stoves, washers, dryers, water heaters, other household appliances and furnace pipes. Appliances that contain refrigerants must have a tag attached certifying that the refrigerant has been removed, this includes refrigerators, freezers, air conditioners, dehumidifiers, ice makers and water coolers.
- For our workers' protection mattresses and box springs must be wrapped in plastic and taped securely closed with duct or packing tape to prevent any possible exposure to infectious pests such as bedbugs, fleas, etc.
- Place all needles, syringes, and lancets in a hard-plastic container with a tight-fitting lid taped shut. Wrap all sharp objects, such as broken glass or sharp metal, in heavy paper and tape shut. Please protect our workers!
- See the attached calendar for the Holiday collection schedule. If a holiday falls on a weekday, collection is pushed back one day for all the days that follow.

Please call or email us with any questions, and we look forward to serving your community!
