TO

Friday, May 15, 2026

Water Hydrant Flushing Program will be performed.

While the crews are completing the Hydrant Flushing Program, there may be a discoloration of the water.

It is recommended that customers test the water before laundering or drawing large quantities of water during this period.

If you do experience problems, or the discoloration persists for long periods of time, please contact the Water Department at 724-274-9414 or the Borough Office at 724-274-6800.

Thank you
