

# Electronics Waste Recycling Event

**June 13, 2026**

JVS Environmental will be coming to Springdale Borough for an Electronic Waste Recycling Event on **Saturday, June 13, 2026 from 10 a.m - 2 p.m.** Under PA Act 108 of 2010, there is a variety of “covered electronic devices’ which can no longer be disposed of in landfills. As a result, recyclers and manufacturers have taken on the cost of recycling these items for consumers. Springdale Borough will be hosting JVS Environmental on Railroad Street in front of Lampus Baseball field. **Residents are to enter down Walter Lane, make a right on to Railroad Street and exit via Colfax Street.**

Materials that will be accepted at **NO CHARGE**:

- Computers
- Laptops
- Televisions (all sizes) – No limit.
- Computer monitors (both LCD & CRT)
- Printers, copiers, fax machines, scanners
- Computer peripherals including mice, keyboards, and speakers.
- Radio and telephone equipment
- Non-refrigerant appliances

Additional materials that will be accepted but **REQUIRE THE PAYMENT OF A FEE**:

- Freon appliances (freezers, refrigerators, air conditioners, and dehumidifiers)- **\$25 per appliance** (removal of Freon is not required)
- Fluorescent bulbs and CLF's - **\$2 per bulb**
- Bare CRT Tubes from Broken Televisions - **\$50 per piece**

They **DO NOT ACCEPT** loose software CD's, VHS tapes or loose batteries of any type.

For additional information, please call the Springdale Borough Office at 724-274-6800.
